The background of the cover is a photograph of a coastal scene. On the right, a large, multi-story building with a castle-like appearance, featuring towers and a grey roof, sits atop a steep, rocky cliff. A paved road with a low wall runs along the edge of the cliff. In the foreground, the water is a vibrant turquoise color. To the left, a large, jagged rock formation juts out into the sea. In the distance, several small figures of people can be seen swimming or boating in the blue water under a clear sky.

"Yes , you look like your dad too. You are tall like your dad. You have his height ", she replied.
