ENGLISH

Unit 20: Summary Test

Pre-Intermediate English with

THE INSPIRE ACADEMY

Introduction

- Throughout these 20 pre-intermediate units you have learned very many things that will help you know the English language more.
- From formal verbs to the verb to get you
 will be able to use this knowledge in
 professional situations as well as regular
 talks with your friends or family members.
- I encourage everyone doing this course to look back at each unit and try to put what they have learned into practice.
- To encourage you to do so this unit is a combination of the most necessary parts of all the previous units.
- What you will find in this summary unit is many exercises taken from all types of lessons so that you may put your skills into practice.
- Hopefully you will try your hardest and leave this pre intermediate course a master at all of the skills you learned.
- Let's get started and good luck!

Formal Verbs and Continuous Tense

In each sentence underline the formal verb and then write it out in the continuous tense.

- I would like to discover a chest full of gold one day.
 Can you please indicate where you are hiding my bike?
 I'm descending in the elevator now.
 I am sorry but I will have to postpone our meeting, I have a family emergency.
 I apologize for not helping you cook dinner yesterday.
 I need to obtain a few documents for work.
 If you do not give it back to me tomorrow, I will have to
